

The Badminton

The Badminton's open plan lounge-diner maximises the potential for space, whilst the kitchen has all the amenities required in a modern household. With your comfort in mind, the master bedroom boasts a much welcomed en-suite and walk-in wardrobe.

A lot of thought has gone into the design and build of the Badminton park home range to maximise its potential. So much so that the home works well in a variety of sizes.

As with all our park homes, there's a wide range of options for you to choose from to help make your home unique to you.
