

The Chatsworth - Gold

Externally the 'Gold' benefits from two long bay windows to the side elevation in addition to the two standard bays at the front. The roof line is enhanced by a 3.5 metre gable fitted over the feature front door, with its two glazed side panels, which is available on homes over 42 feet in length.

As with all our park homes, there's a wide range of options for you to choose from to help make your home unique to you.
